Quest installs Minor League sites in California

Melbourne 24th March 2003 – Quest Retail Technology Pty Ltd are pleased to announce the successful installation of the Quest POS system in two Minor League Ball Parks in Southern California, The Rancho Cucamonga Quakes, who are affiliated with the Anaheim Angels and The Lake Elsinore Storm, who are affiliated with the San Diego Padres.

Both Ball Parks hold about 6,500 fans and there is a total of 60 Tills between the two sites. Included is a wide range of applications such as Concessions, Gift Shops, Vending, Restaurants and Suite facilities with remote printing for Pantries.

Although these installations are quite small, Quest view these are very important sites as they demonstrate the flexibility and scalability of the Quest POS system.

The Lake Elsinore Storm opens the calendar with their new POS system on March 29th when they host a Major League team in a sell out event and Rancho Cucamonga Quakes is scheduled to host their opening event on the 7th April.

“These two sites add to the growing list of Sporting Venues using the Quest POS system and we will be making further announcements on new venues in the near future” says Quest Sales Manager Ed Hart.

Quest Retail Technology Pty Ltd are the largest developer and manufacturer of Point of Sale Systems in Australia and have over 18,000 VersaTerms installed in 17 Countries Worldwide in a diverse range of applications including, Bars, Clubs, Restaurants, Fast Food, Stadiums, Arenas, Race Tracks, Theme Parks, Cinemas, Franchises, Ferry Ships, Educational Establishments etc.
